The perfect coastal boating experience without going on the water. Let yourself experience peaceful tranquility and bring life back into balance as you rest your mind aboard our land yacht. Designed for those who are looking for a special coast getaway, the Lady Ruth at Unit 115 is moored waterside on the bay at the Embarcadero Hotel Marina Resort next to the indoor pool, jacuzzi, spa, health room, and private crab & fishing dock.

The Unit features custom hardwood floor. The cabinetry and woodwork is crafted from American and Brazilian cherrywoods, African Rosewoods and Northwest Alders and Hemlock. MH Custom Cabinetry hand crafted all the cabinetry. Cabin Wood paneled doors separate the rooms giving ultimate privacy for viewing and enjoying the 42" plasma screens and media centers in each sleeping quarters. Both DVD and CD library is preloaded in the 400 disc changer by Myriad Home Entertainment. Even the bathroom bears a 32" flat screen with sound system to help to enhance your soak in the 43 jet bubble tub(for two).

Never miss a beautiful Oregon sunset. Live color cam feed can be displayed on the screens in each of the rooms without a direct view of the bay. Or simply sit at the black granite bar sipping your favorite beverage from the crystal glassware for a perfect view of the famous Yaquina Bridge watching the fishing vessels come in with their catch of fresh Northwest delights and Dungeness Crab.

If cooking is your pleasure as is the owner's of this unit, have fun in the Gourmet Galley rigged with natural gas stove, microwave, convection and conventional oven with a two sink prep island. Coffee grinder, blender, all cooking utensils, dinnerware, and 14 ct gold flatware are yours to enjoy during your stay.

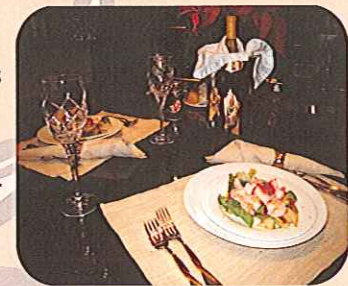

Pure comforts await you with natural bath and skin products as well as ample fresh fluffed towels. Built in washer and dryer unit will help keep you stocked during your stay.

This unit is like no others. A special place to relieve all stress and stimulate the senses. This is the place for two. Captain's quarters holds a comfortable queen bed with remote headphones for the big screen. It also works well for four as the Murphy pull down queen bed accommodates two more in the front room by the natural gas fireplace operated by remote control.

Need special treatment? Concierge service can provide flowers, food, groceries, beverages, and snacks.

Don't want to cook? Room service is available from hotel's kitchen prepared by the executive chef. Or just walk a few steps to the restaurant and lounge.

Like fishing and fresh crab? You have access to the private locker filled with fishing gear and crab pots. Or contact Yaquina Bay Charters located in the marina for a date with seasonal salmon, halibut, tuna, and year round ling cod or bottom fish. Yes, in walking distance.
